

PCG PCC OXYALKYLATES SDN. BHD. 201701018465 (1232630-T)

ENVIRONMENTAL POLICY

PCG PCC OXYALKYLATES SDN. BHD. recognizes its responsibility to protect the environment and minimize its ecological impact. We are committed to conducting our business in an environmentally responsible manner and continuously improving our environmental performance.

Our Environmental Policy is based on the following principles:

- | | |
|-------------------------------|---|
| Compliance | We will comply with all applicable environmental laws, regulations, and standards |
| Prevention | We will proactively identify, assess, and prevent environmental impacts associated with our operations |
| Continual Improvement | We will continually improve our environmental performance through regular monitoring, evaluation, and implementation of corrective and preventive actions |
| Resource Efficiency | We will strive to minimize our use of natural resources, such as energy, water, and raw materials |
| Waste Reduction | We will minimize waste generation and promote the reuse, recycling, and responsible disposal of waste materials |
| Pollution Prevention | We will prevent pollution and minimize our emissions to air, water, and land |
| Stakeholder Engagement | We will engage with our stakeholders, including employees, suppliers, and the local community, on environmental issues |

A handwritten signature in black ink, appearing to read "Foo Mun Chuan", is positioned above the printed name and title.
