

PCG PCC OXYALKYLATES SDN. BHD. 201701018465 (1232630-T)

QUALITY POLICY

PCG PCC OXYALKYLATES SDN. BHD. is committed to consistently providing high-quality products that meet or exceed customer and applicable statutory and regulatory requirements, while striving for continual improvement of our Quality Management System.

Our Quality Policy is based on the following principles:

**Customer &
Regulatory
Requirement**

We will understand and fulfil customer needs and comply with all applicable statutory and regulatory requirements.

**Product Quality &
Safety**

We will manufacture safe, reliable, and consistent products through rigorous quality control, process optimisation, and the use of the best available technology.

**Continual
Improvement**

We will foster an environment where all employees are encouraged to seek opportunities for improving our products, processes, and the Quality Management System.

**Operational
Excellence**

We will optimize our manufacturing processes, reducing waste, and improving efficiency to ensure the highest levels of productivity and profitability.

**Supplier
Management**

We will develop strong partnerships with suppliers who share our quality commitment, comply with regulations, and collaborate to enhance product quality and supply chain efficiency.

It is achieved through competent employees with high integrity, honesty and teamwork.

A handwritten signature in black ink, appearing to read 'Foo Mun Chuan', is positioned above the printed name and title.
